WORK EXPERIENCE

Walky | Miami, FL

June 2025 - Present

Product Development Intern

- Collaborating cross-functionally with developers, designers, and product managers to refine user flows and elevate platform UX for student/admin dashboards
- Engineered new frontend components and enhanced existing UI features in React, improving interface consistency and responsiveness within an agile sprint cycle

Walky | Miami, FL

May 2025

Software Engineering Sprintern

- Developed an internal admin dashboard in React and CoreUI, implementing dark/light mode and fully responsive layouts
- Integrated token-based login, password reset, and user verification with backend services

Florida International University | Miami, FL

August 2024 - December 2024

Teaching Assistant

- Taught 60+ students in Object-Oriented Programming with a 90% student satisfaction rate
- Authored comprehensive study guides and practice problems, contributing to 85% of students achieving a B+ or higher

EXTRACURRICULAR INVOLVEMENT

AI Fellow

April 2025 - Present

Break Through Tech x Cornell University; Online

- Selected from 1500+ applicants for a 12-month AI fellowship including Cornell-led coursework and mentorship
- Developing portfolio-ready machine learning projects through the AI Studio in collaboration with industry partners

Co-Director of WiTCON

May 2024 - March 2025

Women in Computer Science; Miami, FL

- Organized Florida's largest student-run women in tech conference with 500+ attendees and 20+ sponsors
- Directed a 15-person volunteer team, increasing sponsorship funding by 50%

PROJECTS

WiTCON Website | Miami, FL

February 2025 - March 2025

- Led a 4-person team to design and deploy the WiTCON event site in React, increasing registrations by 30% and maintaining 99% uptime on GitHub Pages with full mobile accessibility (<https://wicsfiu.github.io/witcon-2025/>)
