EDUCATION

B.S in Computer Science

Expected May 2026

M.S in Cybersecurity

Expected May 2027

Florida International University (FIU); Miami, FL

- GPA: 3.8 / 4.0
- Coursework: Data Structures & Algorithms, Systems Programming, HCI, Computer Architecture, Operating Systems, Statistics, Database Management, Intro to Cryptography

CERTIFICATIONS

Cornell University | Online

August 2025

- Machine Learning Foundations

SKILLS

Languages & Frameworks: Java, Python, C++, C, JavaScript, TypeScript, React, Node.js, HTML, CSS, MySQL

Libraries & Tools: Pandas, NumPy, Scikit-learn, TensorFlow, Git, CoreUI, GitHub Pages, VS Code, Jest, React Testing Library, Tailwind CSS, Figma

Other: Other: Spanish (Fluent)

WORK EXPERIENCE

Chambers Capital Ventures, Inc | Remote

August 2025 - November 2025

Machine Learning Intern

- Processed and cleaned **EEG** and survey data with **MNE-Python** to remove noise and extract brainwave frequency features
- Trained and optimized **classification models** (Logistic Regression, Decision Tree, Random Forest), improving engagement prediction accuracy from **54% to 82%**
- Designed a prototype dashboard linking model results to adaptive learning triggers, enhancing actionable insights by **25%** for learning-and-development teams

Walky | Miami, FL

June 2025 - August 2025

Software Engineering Intern

- Built and optimized a **full-stack** admin portal in **React** and **CoreUI** with responsive design, dark/light themes, and secure authentication
- Integrated backend **APIs** for login, students, and engagement pages, boosting system reliability and performance by **30%**
- Developed and documented comprehensive unit tests with Jest and React Testing Library, expanding coverage to all major portal components

LEADERSHIP EXPERIENCE

AI Fellow

April 2025 - Present

Break Through Tech x Cornell University; Online

- Selected from **1500+ applicants** for a 12-month AI fellowship including Cornell-led coursework and mentorship
- Developed portfolio-ready **machine learning** projects through the AI Studio in collaboration with industry partners

Co-Director of WiTCON

May 2024 - March 2025

Women in Computer Science; Miami, FL

- Organized Florida's largest student-run women in tech conference with **800+ attendees** and **10+ sponsors**
- Directed a **15-person** volunteer team, increasing sponsorship funding by **50%**

PROJECTS

Personal Portfolio Website | Miami, FL | <https://malfaro.com>

October 2025

- Designed and developed a custom **React-based website** to showcase projects and experience, improving personal branding and visibility to recruiters.

WITCON Website | Miami, FL | <https://wicsfiu.github.io/witcon-2025/>

February 2025 - March 2025

- Led a 4-person team to design and deploy the WITCON event site in React, increasing registrations by **30%** and maintaining **99% uptime** on GitHub Pages with full mobile accessibility
